## THE WOMEN IN MINISTRY COMPONENT

Friday, February 17, 2012  
From  
10:15 am - 12:00 Noon

We look forward to celebrating our Episcopal Team and sharing again with the Sisterhood of Women in Ministry. You do not have to be a member of the Second Episcopal District Women in Ministry to participate!

My Sisters:

Did you know that the 49th Quadrennial Session of the AME Church General Conference is only 5 months away? It will be held June 27- July 4, 2012, in Nashville, Tennessee.

As we move towards the General Conference, the SEDWIM wants you to be more knowledgeable about the Connectional Women in Ministry process and agenda. At our component session the Former Connectional Women in Ministry President Dr. Lois Poag-Ray will lead that forum.

Also during this General Conference, the election of Bishops, appointment of Bishops to Districts, District reports and other Connectional business of our Zion will take place. At our component session our Second Episcopal District Clergy Caucus leader Dr. Roger Hall Reed will lead that forum.

Last but certainly not least if there were ever a time that the body of believers needed prayer then that time is now! Bring the names of those who are sick and shut in among us and any other prayer needs and let's all come together and at the end of our session and pray about it. Remember "Prayer is the key, but Faith unlocks the door!" If at any time you need prayer, an ear to listen, or a heart to hear, please contact your conference coordinator.

God Bless You and I See you on Friday the 17th!

Join Us in this Time of Sharing  
and Impartation.
