HEALING FOR THE HEALERS

THERE IS A B.A.L.M.

(balance, appreciation, laughter, me)

Mark 6:31

As ministers of the gospel we often have to bear other people's burdens, mend broken spirits and help heal wounded hearts. But sometimes healers need to be healed also. So join us as we partake in a powerful panel discussion, a lunch filled with laughter, a workshop and a service of healing; all of which are sure to provide the B.A.L.M. to all who are present. So healers come and be healed, refreshed and renewed at this year's Women In Ministry Annual Day.
